Golam,
Please see attached the Notice of Rulemaking Intent (NRI) announcing the opportunity to comment that was accepted by Office of Administrative Rules (OAR) and published in the Oklahoma Register by OAR. Also attached is the Executive Summary rulemaking document that includes the public comments received and the DEQ comments. Let me know if you need any additional information.

As discussed, please let me know what sections you are missing the document so I may provide the missing pages. Look forward to seeing you next week in OKC.

Thanks,

Patrick

Steve,

I just talked with Patrick Riley at ODEQ about OK CCR rule making comments and responses.

1. Oklahoma received some comments and responded to comments.
2. Patrick will find the response to comments document and e-mail to us.

Thanks
Golam
